Rosa's Round Up

Hello all,

We have had a very busy and enjoyable month of June, kicked off by have "Dude" the miniature horseback. The residents (& staff) were thrilled to see him and he was very sweet with the residents, hopefully we will have a return visit before the end of the year. We have been spending time in the garden as its been such lovely weather. Our resident John has been gardening and we have all been sampling home grown strawberries (yummy) John is taking a well-earned rest with Dotty the resident cat.

We watched our entertainment outside for the first time this year with ice lollies and milkshakes we had the best time!

To round the month off we had a sponsored memory walk around the park on Friday morning. It was a massive success. The residents who took part had a fantastic time. Big thank you to all the family members who turned up on the morning and the staff members who came in on their day off, we really do have the best staff, I am so proud of them! We met lots of lovely dogs and the public were friendly and chatty. So far we have raised over £300, however there is more still coming in, so we will update you with the total amount next month! An afternoon in a pub garden for our residents for a cheeky shandy is definitely on the cards!

Talking of fantastic staff, I just wanted to give a shout out to Ashleigh and Kerry for organising a film night every Thursday evening after Tea. The residents love watching films with popcorn and sweets which the girls have kindly been treating our lovely residents to – they really do go above and beyond and our residents are lucky to have them!

Don't forget to buy your tickets for our Fundraising Summer Fete on Friday 9th August. Please feel free to donate any items to the raffle and tombola as they will be gratefully received.

With the biggest love, as always
